INTERVIEW SUMMARY

Sir:

Applicants thank the Examiner for the interview that was held on December 14, 2006.

Applicants' representative received a courteous phone call from the pertinent Examiner, Christopher D. Prone regarding his review of our Amendment. The Examiner agreed that the Amendment of the claims as amended now read over the prior art of record. However, due to the time constraints, he is unable to perform another patent search. Thus, he stated that he will issue an Advisory Action.

Applicants: Spiridigliozzi, et al.
Application No.: 10/643,315
Filing Date: August 19, 2003

Applicants believe that the above details summarizes the phone conference that was held on December 14, 2006. If there are any important details which were left out by the above Interview Summary, Applicants invite the Examiner to provide any additional Interview Summary. Applicants' representative also thanks the Examiner for the courteous phone call.

Respectfully submitted,

A handwritten signature, likely of Darren Kang, enclosed within an oval border. The signature is stylized and appears to be a cursive or semi-cursive script.
